**Technology for The New Age**

**ORDER FORM:**

- **Multi-Wave Oscillator:** A high voltage Tesla Coil device used to expose the human organism to an Ætheric field and a multiplicity of oscillating frequencies . The idea is to elicit an intense detoxification response, on a cellular level, as tissues attempt to resonate; each to their own corresponding natural and innate frequency. This device has a powerful legacy (going all the way back to the 1920s) of experimental rejuvenation in a variety of experimental/medical conditions. **\$6415-**
- **Shipping: \$82- MWO Total Delivered: \$6497-**
- **Orgone Energy Blanket:** A Life Energy charging device invented by Wilhelm Reich, M.D. Three layer Orgone Blanket size: approx. 3' wide by 5' long (big enough for two). Weight 20 lbs; made from heavy 100% Swedish wool in Organic layers and fine mesh galvanized steel screen in Metallic layers. Innermost Metallic layer is fine mesh stainless steel screen next to skin (clothes optional for strongest effect). Complete instructions for experimental use (Originally used to "charge" the body to treat a variety of experimental/medical conditions). **\$469-**
- **Shipping: \$28- Orgone Blanket Total Delivered: \$497-**

**Get and use both together for best Experimental Effect!**

*Read Carefully and please sign: I am in reasonably good health and understand the MWO/Orgone Blanket is not for any healing or medical purpose. Should I have or develop a medical or disease condition, I agree to seek and get authorized medical treatment from a licensed physician before attempting any program of experimental use with the MWO. I hold ZEPHYR TECHNOLOGY harmless from any improvement or worsening of my health or condition!*
