#### Mission Statement:

*In these Late Days before the New Age breaks in upon us:  
We strive to prepare by embracing traditions Sacred to our Miami Valley:  
Along the path first blazed by Tecumseh; and furthered by many...  
Traditions of Love, Work and Knowledge; The Quest for Wisdom.*

Greetings again for our November Meeting: Thursday, November 17 at our New Location! The Unitarian/Universalist Fellowship: 2884 US Route 68; South of Yellow Springs Ohio just about three miles South of town. (Judy Lynne Cole: SPEAKER!)

Last Month, we had about 36 people arrive and be delighted at the big turnout; with batches of cookies, brownies and coffee on the table and boxes of books, arcane and scientific, brought to share. "Pantheon of Luminaries" was the theme: From all the way back at the time of Tecumseh unto this very day; We are caught up in a Vortex around here...

## Speaker! Judy Lynne Cole Will speak on: *Healing Partnerships*

Individual, Community and Corporate Wellness Programs. Addiction is a problem that impacts the entire community, whether it is addiction to food, prescription or illegal drugs, alcohol, nicotine, caffeine, activities or relationships. This problem has reached critical proportions and it is time to realize that this disease affects all of us, not just the individual. We are all ONE. Each one of us must realize that we are in this together. It is time for each of us to take responsibility, put our action and energy into our belief systems, and "Walk Our Talk".

The topic of Judy's presentation will reveal the hidden connection between health, nutrition, addictive behaviors, hidden coding in ancient art and texts, sound, science, cetaceans, water, and the voice. Come learn how music, math, movement and mastery over what you consume can restore health and vitality; increase your creativity by tapping into Theta brain wave states, improve your timing and productivity, and help you manifest your transformation into Being all that you can be.

### *Healing Partnerships in action...*

Healing Partnerships is one corporate sponsor of The Ringing of the Rivers Project which is dedicated to cleaning up the rivers of the world, the rivers of life that run within us (our blood) and the rivers of love that are to run between us. The Ringing of the Rivers Project uses scent, sound, sacred geometry, and intention, deciphering, adapting and applying the hidden healing codes of light - the ancient wisdom gleaned from ancient texts, scriptures and artwork. These codes, built into sound become light images captured with oscilloscopes, forming a morphogenic light language that has the potential to unify diverse groups through the shared iconography that is revealed.

The research and ongoing work of both Healing Partnerships and The Ringing of the Rivers Project are supported by private donation, grant awards, wellness program designs, and the distribution of SON Formula®, GUNA homeopathics®, and sound healing CDs and DVDs. email: [sonformula@hotmail.com](mailto:sonformula@hotmail.com)
