**Greetings again for our Spring Meeting Thursday, May 19, at 7pm at
Williams Eatery and Gathering Place **SPEAKER!****

Bruce M. Forrester Jr
from Zephyr Technology will
speak on "Flying Saucer
Fundamentals"

bruce@zephyrtechnology.com

UFO Expert, Bruce M. Forrester Jr,
will speak simply, in plain fashion on
this controversial subject...

Second of Four Part Series:
April 21; Jim Verdier, U.S. Air Force (Retired)
spoke on concepts of Outer and Inner Space.

- **Thursday, May 19:** Don't be fooled: Flying Saucers are HOT Stuff: Laying bare much Perdition accumulated over Centuries of neglect: Suddenly the Piper must be paid; however unpleasant and politically incorrect the task. Come hear what you have not heard before and see what you may not see again until the real deal starts to go down.
- **Thursday, June 23 at Antioch Midwest:** Rainbow Eagle; International UFO Congress & Film Festival.
- **Thursday, July 21 at Antioch Midwest:** Rainbow Eagle: International UFO Congress & Film Festival. *(Really Good!)*

Flying Saucers Fundamentals
But Not exactly a Freshman Level Course...
We certainly won't try to "prove" anything.

- **Ohio MUFON Boss, Mr William E. Jones, Corporate Attorney for Battelle in Columbus, has been invited to speak; but alas! Bill Jones seemingly does not believe in Flying Saucers; and thus still labors whether they are "real" or not... (Bill, if you are reading this: then get thee to Wisdom Quest and set us straight).**
- **We are gonna pester Bill Jones to speak to us until he either shows up or retires...**

The Pied Piper of Hamelin

is the subject of a legend concerning the departure or death of a great many children from the town of Hamelin (Hameln), Germany, in the Middle Ages. The earliest references describe a piper, dressed in pied (multicolored) clothing, leading the children away from the town never to return.

Some realize that we must solve this UFO thing; we must come to grips with the unsettling events which have overtaken our home planet, our living Gaia.

Expect no help from the Neo-Con/Military (bent upon only more War for Israel); expect no help from the Christians, who consider such affairs as Devilish and not the "Word of God". Expect no help from Big mainstream media; who shout it down and raise the "Laughter Curtain"... Expect no help from Corporate Wall Street Money Business, who simply cannot be bothered. Expect no help from the Welfare/Warfare Political Party of Obama/Bush either. But Folks, I'm telling 'ya: If we want to see our Children live into tomorrow; we gotta solve this one or else:

The Piper will be paid...
